

DHM DESIGN

EILEEN KEMP

Principal | Federal Projects Manager | PLA | ASLA | CLARB

Eileen is a leader in federal parks and recreational facility planning and design with over 24 years of experience helping communities and agencies develop effective and sustainable solutions. Her dedication to responsible design and excellent client service has led to a wide range of successful projects. Throughout the design process she is always thinking about the visitor experience and how each project fits within the overall fabric of our park systems. As a Principal and Project Manager, Eileen approaches project management with a focus on collaboration, organization, and adaptability. She ensures that every project benefits from clear communication, well-defined goals, and a comprehensive understanding of client needs. Her ability to anticipate challenges and develop solutions promotes efficiency and quality throughout the process, meeting both client expectations and project goals.

SPEAKING ENGAGEMENTS

Speaker, Pennsylvania/Delaware ASLA Conference, Little Round Top | Gettysburg National Military Park

NOTABLE WORK

East Coast National Park Services IDIQ | Nationwide

Eileen led the Project Management for the National Park Service on many projects through our East Coast Region IDIQ contract. The following task orders have been managed by Eileen and DHM as the prime firm as we coordinate with 20 disciplines to put the best resources toward service- or location-specific needs. To date, the team has completed 47 task orders that span the Northeast Region, a combination of site design-based projects and pass throughs. Below is a sample of some of the projects.

- NPS Rehabilitate Little Round Top Visitor Use Area | Gettysburg National Military Park, PA
- NPS Rehabilitate Stone Walls of Historic Fort Wood | Statue of Liberty National Monument, NY
- NPS Rehabilitate the Lincoln Memorial Bridge | George Rogers Clark National Historic Park, IN
- NPS Canyon Lodging Redevelopment | Yellowstone National Park, WY
- NPS Rim Village Parking Congestion and Assessment Study | Crater Lake National Park, OR

Municipal Experience

Eileen works on various municipal projects that emphasize thoughtful civic and recreational design to enhance community spaces across Colorado and beyond. Her work includes designing public spaces such as libraries, courthouses, aquatic centers, and fire administration buildings. She has contributed to enhancing streetscapes and fostering more inviting and functional urban environments. Eileen also has expertise leading projects in recreational design. Her designs balance functionality, aesthetics, and sustainability, ensuring these spaces serve as lasting assets to their communities. Below is a sample of some of the projects.

- Westminster Courthouse | Westminster, CO
- Hampden Library Renovation | Denver, CO
- Bear Creek Lake Park | Lakewood, CO
- South Adams County Fire District Administration Building | Adams County, CO
- Greeley Streetscapes | Greeley, CO
- Garden of the Gods Facilities Improvements | Colorado Springs, CO
