

DHM DESIGN

ALLIE NEWMAN

Senior Designer

As a fifth generation Coloradoan, Allie has a heartfelt love for the landscape, ecology and culture of the American West. She has a decade of experience as a professional wilderness and river guide and is awed and inspired by wild and cultural landscapes. She fosters and creates authentic places that strengthen communities, encouraging curiosity and exploration.

NOTABLE WORK

Aspen Valley Ranch | Aspen, CO

Aspen Valley Ranch is an expansive private ranch in the heart of the Roaring Fork Valley. Allie has been an integral part of the team creating a master plan for the ranch which includes designing world-class residential landscapes, restoration of historic architectural and landscape features, pasture restoration, weed management, extensive habitat improvements and ranch wide infrastructure including irrigation, fertigation and circulation.

Delta County Trails Recreation Master Plan | Delta County, CO

Allie was part of the team that Delta County selected for a county wide comprehensive Recreation and Trails Master Plan. The Master Plan is the guiding document for the development of future trail infrastructure and was based on extensive community input, outreach and feed back. The plan prioritizes the goals of the county and future efforts for funding and land acquisition. Programmatic elements included in the master plan are new and existing trails, opportunities for trail connections, recreation facilities and associated infrastructure that work with Delta county's heritage and expanding population center.

Navajo Nation IRMP | Navajo, UT

DHM is currently working with the Navajo Division of Natural Resources on an Integrated Resource Management Plan (IRMP) for the Nation's forestlands. IRMP is a user friendly document which increases intradepartmental efficiency and communication, reduced duplication and contradictory efforts, greater transparency and accountability, collaborative funding and resource sharing, increased and coherent communication and outreach tools for tribal members and regional partners, and clear deviation wide priorities, goals and vision.

Pikkin County On Call Services | Pitkin County, CO

- Filoha Meadows Nature Preserve Riparian Restoration - The Filoha Meadows is a 185 acre property along the Crystal River that contain thermal bogs that support rare plant and animal species. This project was the design of plantings, irrigation and fencing for restoration.
- North Star Nature Preserve Fen Restoration - Permitting and construction of earthen dam to restore natural hydrology which was altered by turn of the century agricultural practices which drained surface water from this biologically diverse ecosystem.
- Sky Mountain Park, Brush Creek Ponds Restoration - Design, permitting and construction of old agricultural ponds into upland riparian and sagebrush habitat providing habitat for water fowl, pollinators and ungulates.
